**BABY QUIRK'S QUICK CURE**

**Of Torturing Eczema by Cuticura**

**When All Else Had Utterly Failed.**

"My baby, Owen Herbert Quirk, was afflicted from the age of six weeks with a loathsome running eczema, almost covering his face. I took him to Drs. and of Victoria Road, Aldershot, and he was treated by them for three months, but got much worse, and was a sickening sight to look at. I saw an advertisement of the Cuticura Remedies, and got the Soap, Ointment and Resolvent.

"We noticed an improvement at once, and within a fortnight the running had ceased and the scales were nearly all dried off, and in a month his face was perfectly clear, not a spot left. I have enclosed photograph of him when he was thirteen months old. He is now two years and four months, and has never had the slightest return of it. I am very grateful for the benefits derived from your remedies, and shall feel it a pleasure to make their value known. For corroboration of this statement you may refer any one to Mrs. Williams, 45 Michaels Road, Aldershot, or Mr. Gunstone, 40 Victoria Road, Aldershot, to whom we recommended the remedies for a skin humor, which they also cured. You are at liberty to do what you like with this statement, as I should like all to know of the value of Cuticura."

**FEMALE WEAKNESS**

543 1-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902.

I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Withelmina Snow Treasurer Portland Economic League
